

**PINECLIFF LAKE COMMUNITY CLUB  
LIFEGUARD APPLICATION 2022**

Lifeguards are required to be up to date with all of their certifications. A hard copy of all certifications must be on file for Beach Inspections by the Health Department. Lifeguard certifications needed to work at Pinecliff Lake Beach include Waterfront, CPR and Lifeguarding skills. Lifeguards must be available to work weekends and weekdays unless approved by the Beach Trustee prior to beach opening.

An Interview is required and will be set up with the potential lifeguard when working papers and this application have been completed and a hard copy can be handed to the Beach Trustee. Two mandatory training sessions will occur during the summer for all to refresh their skills and to be comfortable to work other lifeguards. Attendance at Family Day is a requirement of all lifeguards who work at Pinecliff Lake Community Club. Dates for both training and Family Day will be furnished sometime in April to all lifeguards.

Please fill out the following personal information and return it to Beach Trustee when you are scheduled for an interview.
